

Synergy Medical makes Canadian Business PROFIT 500 list

(Montreal, Canada; September 14, 2017) *Canadian Business* and PROFIT today ranked Synergy Medical BRG on the 29th annual PROFIT 500, the definitive ranking of Canada's Fastest-Growing Companies. Published in the October issue of *Maclean's* magazine and at CanadianBusiness.com, the PROFIT 500 ranks Canadian businesses by their five-year revenue growth.

Synergy Medical BRG made the 2017 PROFIT 500 list with five-year revenue growth of 78%. "It is never easy to earn a spot on the PROFIT 500, but this year's applicant pool was the most competitive yet," says Deborah Aarts, PROFIT 500 program manager. "This year's winners demonstrate the resilience, innovation and sheer management smarts it takes to build a thriving business today. Canada—and the world—needs more entrepreneurial success stories like these."

"It is an honor for Synergy Medical to be classed among the fastest growing Canadian companies, and to be given the PROFIT 500 designation," says President & Founder Jean Boutin. "It is the unwavering dedication and sustained efforts of our team that has allowed Synergy Medical to provide market leading automation solutions to pharmacies, and consequently to receive this recognition."

Synergy Medical is based in Longueuil, Quebec, and from 2008 has been designing, manufacturing and installing automated systems which allow pharmacies to efficiently and accurately prepare compliance packs: specialised pill boxes that enable patients to adhere to their medication regimens.

Synergy Medical has installed over 300 SynMed® and SynMed® Ultra systems throughout North America and in Europe, in independent pharmacies as well as in centralised production facilities for pharmacy chains.
